

Coco products made with passion and values

Ayer Coco is Mya Ayer Company's dedicated product line for international markets.

Mya Ayer Company is a Myanmar family business operating since 1986. A veteran in the coconut oil industry, it has been supplying products to the domestic market. Since 2016, the company has been innovating and diversifying its product line with high end organic extra virgin coconut oils. It has expanded its business, adheres to high professional and ethical standards and has rebuilt its production facilities in line with international requirements.

A domestic company, we pioneer sustainable business in line with high entrepreneurial and ethical standards. This is what we stand for: Responsible business and excellent products - both home-grown in Myanmar. Our projects are supported by international donor funding.
